

3-POINT

## QUICK HITCH

### FEATURES

For use on tractors with limited category 1 & category 1, 3-point hitch

Heavy-duty steel construction

7/8-inch mounting pins and adapter bushings

Fast, easy attachment and release

Designed to ASABE quick hitch standards

Comes standard with a bracket for use with attachments that have a floating top link

## Spend less time changing attachments.

Make quick work of changing from one 3-point hitch attachment to another, many times without even leaving the seat of your tractor. Compatible with most Yanmar attachments, including rear blades, box scrapers, landscape rakes, finish mowers, cutters, disc harrows, seeders and tillers.
